

SUPER Study Investigators

M.J. Koelema Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

F.A. Frans Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

D.A. Legemate Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

J.A. Reekers Department of Radiology, Amsterdam UMC, location AMC

S. Bipat Department of Radiology, Amsterdam UMC, location AMC

SUPER Study Collaborators

M.G.W. Dijkgraaf Department of Clinical Epidemiology, Biostatistics and Bioinformatics, Amsterdam UMC

R.J. de Haan Department of Clinical Epidemiology, Biostatistics and Bioinformatics, Amsterdam UMC

R. Balm Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

M.M. Idu Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

J.D. Blankensteijn Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

A.W. Hoksbergen Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

A.P. Conijn Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

R. Met Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

N.S. van Reijen Department of Vascular Surgery, Cardiovascular sciences, Amsterdam UMC, location AMC

K.P. van Lienden Department of Radiology, Amsterdam UMC, location AMC

O.M. van Delden Department of Radiology, Amsterdam UMC, location AMC

E.J. Zijlstra Department of Radiology, Amsterdam UMC, location AMC

K.P. van Lienden Department of Radiology, Amsterdam UMC, location AMC

R. Lely Department of Radiology, Amsterdam UMC, location AMC

R.H.H. Engelbert Department of Rehabilitation, Amsterdam Medical Center, Amsterdam and University of Applied Sciences, Education of Physiotherapy, Amsterdam

M.A. van Egmond Department of Rehabilitation, Amsterdam Medical Center, Amsterdam and University of Applied Sciences, Education of Physiotherapy, Amsterdam

A. Poelgeest Department of Rehabilitation, Amsterdam Medical Center, Amsterdam and University of Applied Sciences, Education of Physiotherapy, Amsterdam

E. Geleijn Department of Physiotherapy, Amsterdam UMC, location VUMC, The Netherlands

A.J. de Nie Department of Vascular Surgery, Northwest Clinics, Alkmaar, The Netherlands

M.A. Schreve Department of Vascular Surgery, Northwest Clinics, Alkmaar, The Netherlands

A. Kamphuis Department of Radiology, Northwest Clinics, Alkmaar, The Netherlands

R.H.J. Kropman Department of Vascular Surgery, St. Antonius Hospital, Nieuwegein, The Netherlands

J.Wille Department of Vascular Surgery, St. Antonius Hospital, Nieuwegein, The Netherlands

J.P.M.M. de Vries Department of Vascular Surgery, St. Antonius Hospital, Nieuwegein, The Netherlands

R.H. van de Mortel Department of Vascular Surgery, St. Antonius Hospital, Nieuwegein, The Netherlands

H.D. van de Pavoord Department of Vascular Surgery, St. Antonius Hospital, Nieuwegein, The Netherlands

D.A. van den Heuvel Department of Radiology, St. Antonius Hospital, Nieuwegein, The Netherlands

M. van Leersum Department of Radiology, St. Antonius Hospital, Nieuwegein, The Netherlands

M.J. van Strijen Department of Radiology, St. Antonius Hospital, Nieuwegein, The Netherlands

J.A. Vos Department of Radiology, St. Antonius Hospital, Nieuwegein, The Netherlands

D. Nio Department of Vascular Surgery, Spaarne Gasthuis, Haarlem, The Netherlands

A. Rijbroek Department of Vascular Surgery, Spaarne Gasthuis, Haarlem, The Netherlands

E.G.J Vermeulen Department of Vascular Surgery, Spaarne Gasthuis, Haarlem, The Netherlands

G.J.M. Akkersdijk Department of Vascular Surgery, Spaarne Gasthuis, Haarlem, The Netherlands

R. Metz Department of Vascular Surgery, Spaarne Gasthuis, Haarlem, The Netherlands

B.J. van Kelckhoven Department of Radiology, Spaarne Gasthuis, Haarlem, The Netherlands

H.J. van de Rest Department of Radiology, Spaarne Gasthuis, Haarlem, The Netherlands

V.J. Leijdekkers OLVG, Department of Vascular Surgery, Amsterdam, The Netherlands

A.C.Vahl OLVG, Department of Vascular Surgery, Amsterdam, The Netherlands

R.C. van Nieuwenhuizen OLVG, Department of Vascular Surgery, Amsterdam, The Netherlands

J.G. Blomjous OLVG, Department of Radiology, Amsterdam, The Netherlands

A.D. Montauban van Swijndregt OLVG, Department of Radiology, Amsterdam, The Netherlands

P.P.C. Poyck Department of Vascular and Transplant Surgery, RadboudUMC, Nijmegen, The Netherlands

M. van der Jagt Department of Vascular and Transplant Surgery, RadboudUMC, Nijmegen, The Netherlands

J.A. van der Vliet Department of Vascular and Transplant Surgery, RadboudUMC, Nijmegen, The Netherlands

L.J. Schultze Kool Department of Radiology, RadboudUMC, Nijmegen, The Netherlands

P.L. Klemm Department of Vascular Surgery, Gelre Hospital, Apeldoorn, The Netherlands

H.W. Slis Department of Radiology, Gelre Hospital, Apeldoorn, The Netherlands

M. C.M. Willems Department of Surgery, Flevo Hospital, Almere, The Netherlands

L.C. Huisman Department of Surgery, Flevo Hospital, Almere, The Netherlands

J.H.D de Bruine Department of Radiology, Flevo Hospital, Almere, The Netherlands

M.J. Mallant Department of Radiology, Flevo Hospital, Almere, The Netherlands

L. Smeets Department of Vascular Surgery, Rijnstate Hospital, Arnhem, The Netherlands

S.M. van Sterkenburg Department of Vascular Surgery, Rijnstate Hospital, Arnhem, The Netherlands

M.M. Reijnen Department of Vascular Surgery, Rijnstate Hospital, Arnhem, The Netherlands

P.B. Veendrick Department of Radiology, Rijnstate Hospital, Arnhem, The Netherlands

M.H. van Werkum Department of Radiology, Rijnstate Hospital, Arnhem, The Netherlands

J.A. van Ostayen Department of Radiology, Rijnstate Hospital, Arnhem, The Netherlands

B.H.P. Elsmann Department of Surgery, Deventer Hospital, Deventer, The Netherlands

L.G. van der Hem Department of Surgery, Deventer Hospital, Deventer, The Netherlands

R.B.M. van Tongeren Department of Surgery, Deventer Hospital, Deventer, The Netherlands

C.F.M. Klok Department of Radiology, Deventer Hospital, Deventer, The Netherlands

W.E. Hellings Department of Radiology, Deventer Hospital, Deventer, The Netherlands

J.C. Aarts Department of Radiology, Deventer Hospital, Deventer, The Netherlands

A.M. Wiersema Department of Vascular Surgery, Dijklander Hospital, Hoorn, The Netherlands

T.A. van den Broek Department of Vascular Surgery, Dijklander Hospital, Hoorn, The Netherlands

A. Moolhuijzen Department of Radiology, Dijklander Hospital, Hoorn, The Netherlands

J.A. Teijink Department of Surgery, Catharina Hospital, Eindhoven, The Netherlands

M.R. van Sambeek Department of Surgery, Catharina Hospital, Eindhoven, The Netherlands

B.P. Keller Department of Vascular Surgery, Martini Hospital, Groningen, The Netherlands

G.A. Vos Department of Vascular Surgery, Martini Hospital, Groningen, The Netherlands

J.C. Breek† Department of Vascular Surgery, Martini Hospital, Groningen, The Netherlands

J. Gravendeel Department of Radiology, Martini Hospital, Groningen, The Netherlands

R. Oosterhof-Berkas Department of Radiology, Martini Hospital, Groningen, The Netherlands

N.A. Koedam Department of Surgery, Tergooi Hospitals, Hilversum, The Netherlands

E.J. Hollander Department of Surgery, Tergooi Hospitals, Hilversum, The Netherlands

T. Pels Rijcken Department of Radiology, Tergooi Hospitals, Hilversum, The Netherlands

S.S. van der Voort Department of Physiotherapy, Tergooi Hospitals, Hilversum, The Netherlands

B. Honing Department of Physiotherapy, Tergooi Hospitals, Hilversum, The Netherlands

D.M. Scharn Department of Surgery, Slingeland Hospital, Doetinchem, The Netherlands

M.S. Lemson Department of Surgery, Slingeland Hospital, Doetinchem, The Netherlands

J. Seegers Department of Surgery, Slingeland Hospital, Doetinchem, The Netherlands

R.M. Krol Department of Surgery, Slingeland Hospital, Doetinchem, The Netherlands

SUPER Study Data Safety Monitoring Committee

C.J. Buskens Department of Surgery, Amsterdam UMC, location AMC, The Netherlands

C.J. Zeebregts Department of Vascular Surgery, UMC Groningen, The Netherlands

R.A. de Bie Department of Epidemiology & Institute for Education, Maastricht UMC, The Netherlands

H. van Overhagen Department of Radiology, HAGA Hospital, Den Haag, The Netherlands
